

THE BEST DRAWER SLIDES

A guide to avoid fear or mistakes

7 FEATURES WE LOOK FOR

1

FULL EXTENSION

- Make sure you can see to the very back of drawer when fully open

SOFT CLOSE

- Because anything less is not acceptable on this day and age

2

3

METAL DRAWER BOX OPTIONS

- Water and scratch Resistant
- Great for kitchens, utility rooms, and bathrooms

WEIGHT CAPACITY

- The higher the weight capacity of the slides the wider the drawers
- We like 100 lb-132 lb load capacity

4

5

ADJUSTABILITY

- Allows installer to align and correct gaps during installation with ease

ATTACHMENT METHOD

- Side mount and Under mount have different applications - choose correctly

6

7

WARRANTY

- We like a minimum of 5,000 hours of warrantable use
